6. Smoothbore shotgun 2x5 – distance 10m from the fire line, 10 shots, Target – 10 metal popper targets. Each hit counts as 10 points. Each miss constitutes an additional minus 10 points penalty. The final score is called a FACTOR, which is a sum of all the points and penalties divided by the overall time (in seconds) from the initiation buzz until the final shot taken. The person with the highest FACTOR wins. Weapon – smoothbore pump action shotgun.

Weapons and ammunition

The organizer provides the following weapons in the following calibers:

Centerfire pistol and pistol with buttstock in 9mm Parabellum, Sport pistol and rifle (rimfire) in .22LR, Centerfire Rifle in .223Rem, Smoothbore shotgun in 12GA (12/70)

The organizer provides the weapons and ammunition with prior arrangement and payment of the applicable ammunition fee.

Classification

Participants will be classified individually in each discipline separately as well as in a general classification of the competition.

For the general classification of the competition a sum of all the scores of every discipline that the shooter took part in is taken into account.

As for the Smoothbore shotgun 2x5 discipline the general classification score will be calculated according to the equation: $\text{FACTOR} \times 20 = \text{amount of points for the general classification}$.

Awards

Places **1 through 3** in the **Individual and General** classifications will be awarded **Diplomas**.

Additionally the **1st place in the General classification** will be promoted with a prize of: an **Arex REX 9mm Parabellum Pistol** which is the newest firearm of the **Polish Police** sponsored by Stowarzyszenie Zbrojownia.
